Group Overview

About Gulf Cables & Electrical Industries Group Co. K.S.C.P

Gulf Cables & Electrical Industries Group Co. K.S.C.P. (“Gulf Cables Group”) is a leading Kuwaiti industrial company operating in manufacturing and the distribution of electrical cables and related products, as well as maintaining strategic investments across select sectors. Established in 1975 and listed on Bursa Kuwait since 1984, Gulf Cables Group has grown into one of Kuwait’s most trusted industrial brands, serving clients across the GCC and international markets.

The Group operates state-of-the-art manufacturing facilities in Kuwait and Jordan and maintains a joint venture partnership with Riyadh Cables in the Kingdom of Saudi Arabia, strengthening its regional industrial footprint and technical capabilities. Headquartered in Sabhan Industrial Area, Kuwait, Gulf Cables Group continues to uphold its legacy of quality, reliability, and innovation.

In parallel with the core manufacturing operations, the Group adopts a strategic investment approach, channeling operational reserves into opportunities that complement its industrial foundation and contribute to long-term value creation. The Group’s investment portfolio spans a diverse range of asset classes, including strategic equity holdings in leading listed and unlisted companies across the industrial, financial, and other key sectors. These investments are carefully selected to align with Gulf Cables’ operational strengths, industry outlook, and risk tolerance.

Vision

To establish Gulf Cables Group as the leading regional industrial champion, recognized for advanced technology, comprehensive quality standards, and diversified solutions through highly skilled local expertise at competitive prices.

Mission

To serve as a trusted regional benchmark in the manufacture of electrical and telecommunications cables, delivering superior quality, diverse solutions, and innovative services that exceed customer expectations, create sustainable value for shareholders, and contribute positively to the communities in which we operate.
